Re: **Closing of Account**

Dear Administrator Jones and Chief Deputy Hayes,

I am writing to let you know that I am closing my account for the Washington County School Board District 2 election. After all expenses were paid, I had a balance of \$310.28. In order to close my account with the county, I am donating the remainder of my balance to Candidate Sylvain Bruni.

My treasurer, Cindy Humphrey, will still have to have access to the portal in order to do the last finance report for the 3rd quarter.

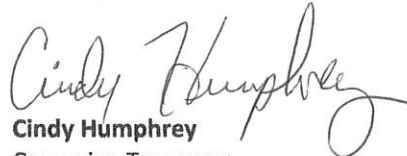

Let us know if you need additional information.

Very respectfully,
