Washington County Election Commission

Dear Mrs. Jones and Mrs. Hayes,

With the 2022 county elections thankfully behind us, by way of this letter I wish to close my campaign account for this election cycle.

Since the Pre-General Campaign Financial Disclosure Statement filed 07/27/2022, my campaign has accepted no donations and has incurred no new expenses. As evidenced by that same disclosure statement, the campaign had an outstanding loan balance to me personally of \$3,186.72. I have forgiven this outstanding loan balance.

Please let me or my campaign treasurer, Dan Mahoney, know of any questions or outstanding issues. Thank you for your assistance.

Sincerely,

Freddie Malone
